

Jee Karda Lyrics

English

Hey hey hey!
Let's go! Ho tere kheyalan vich ghumda
Tuvi das tera ki vichar
Ishq ch gabru blind ho geya
Tainu kade hoye ae pyaar

Mera jee karda behja kol
Suna tere muh cho mithde bol
Ho number tu mera note karla
Jee kita kar layin call

Ho naina ch surma tere
Chehre te noor bada
Bahar aake tu vekh sahi
Door te yaar khada

Tainu main pauna naal laike jana
Viyah karna ban-than'ke
Good-luck charm aa sham wala jam aa
Sheti aaja kar na delay

Jee karda tere naal nachna
Naal nachna main do peg laake
Jee karda tere naal nachna
Akhan naal akhan nu milake

Tu nachke floor tod'de
Tainu jhanjran main daun banwake
Haan! Jee karda tere naal nachna
Naal nachna main do peg laake

So hold it up babe
Lovin' the way you hold it up babe
I know it's kind of crazy
Want you to be my baby

Nerhe aaja billo leja downtown tainu
Gaddi vich hunn sair karavaan tainu
Munde club vich vekh'ke kehnde mainu
Kudi lagdi ae kaim sacchi dasaan tainu

See i'm the dope boy
For the crowd they always play me
You got me drunk
How been your calling me daisy
You know i making most
Now i don't use dabby
And when they ask you
What the feeling are you saying me

So hold it up babe
Lovin' the way you hold it up babe
I know it's kind of crazy
Want you to be my baby

Jee karda tere naal nachna
Naal nachna main do peg laake
Jee karda tere naal nachna
