Kise pata kya raaz chhupa hai
Iske dil ke ander
Jhoole jhoole laal dum mast kalander
Lamba safar hai chhoti umar
Jana kidhar hai diwano
Kisne hai jana
Pal do pal hai bahta jal hai
Jivan chhal hai mastani
Kisne hai mana

Raag se raag milaye ja
Prem tarane gaaye ja
Gyan ke deep jalaye ja
Sabko yahi samjhaye
Ek na ek din tham jayega
Ye saanso ka samander

Dum mast kalander mast mast
Dum mast mast
Dum mast mast dum
Jhoole jhoole laal dum mast kalander
Gore hai bande kaale hai dhandhe
Aankh se andhe hai sare
Teri duhai
Bhukh bimari mara mari
Chalti katari hai pyare
Sari khudai

Tufano ka pahra hai
Waqt kahin pe thahra hai
Raaz bada hi gahra hai
Chehre upar chehra hai
Kaanp rahe hai dar ke mare
