

Jhoom Le Lyrics

English

Dhuan dhuan sama hosh kise yaha
Mausam mein masti hain maza aa raha hain
Beheke beheke kadam mehke mehke badan
Halkaa halkaa sa ek nasha chha raha hai
Jhoom le let the music move your body
Jhoom le in bahon mein machal ja
Choom le you got to make it with somebody
Aaj tu zara choom le

Kab kaha kis mod pe
Kin lamhon ko jodke
Zindagi kaha le aaye koi na jane
Yeh jo kal tere sath hain
Yahi to tere hath hain
Is pal mein ji le ise apana bana le
Jhoom le let the music move your body
Jhoom le in bahon mein machal ja
Choom le you got to
Make it with somebody
Aaj tu zara choom le
Kayadon ke qaid se faydon ke vaid se
Hokar tu azad kar le
Jo bhi tera dil yeh chahe
Choom le

Dhuan dhuan sama hosh kise yaha
Mausam mein masti hai maza aa raha hai
Beheke beheke kadam mehke mehke badan
Halkaa halkaa sa ek nasha chha raha hai
Jhoom le let the music move your body
Jhoom le in bahon mein machal ja
Choom le you got to make it with somebody
Aaj tu zara choom le

Jhoom le let the music move your body

Jhoom le in bahon mein machal ja
Choom le you got to make it with somebody
Aaj tu zara choom le
Jhoom le let the music move your body
Jhoom le in bahon mein machal ja
Choom le you got to make it with somebody
