Zind le gaya zind le gaya  
Woh dil ka jaani zind le gaya  
Woh dil ka jaani  
Yeh but bejaan reh gaya  
Yeh but bejaan reh gaya  
Zind le gaya

Mehmaan chala gaya ghar se  
Yeh khaali makaan reh gaya  
Zind le gaya woh dil ka jaani  
Yeh but bejaan reh gaya  
Zind le gaya  
Khaabon si takdirein  
Khaabon si takdirein  
Kab banati hain  
Paani pe tasbire  
Paani pe tasbire  
Kab banati hain

Na rang raha koyi baaki na koyi  
Nishaan reh gaya zind le gaya  
Zind le gaya woh dil ka jaani  
Yeh but bejaan reh gaya  
Zind le gaya

Uss aandhi ka uss tufaan ka  
Jor kisi ko yaad nahin hain  
Aayi thi ik roj kayaamat aur  
Kisi ko yaad nahin hain  
Bas ek mera dil tuta yeh  
Sara jaha reh gaya zind le gaya  
Zind le gaya woh dil ka jaani

Yeh but bejaan reh gaya zind le gaya

Apane jakhmon apane sadamo se  
Main kitani sharminda hoon  
Kya kaaran hain kya hain sabab jo  
Aaj bhi abb bhi main zinda hoon  
Lagata hain ke mera baaki koyi  
Imtehaan reh gaya zind le gaya  
Zind le gaya woh dil ka jaani  
Yeh but bejaan reh gaya  
Zind le gaya  
Mehmaan chala gaya ghar se  
Yeh khaali makaan reh gaya  
Zind le gaya woh dil ka jaani  
Yeh but bejaan reh gaya  
Zind le gaya  
Zind le gaya zind le gaya.
