Tu hai kaun si manzil me  
Uth jane de har parda  
Ab or na khud ko chupa  
Uth jane de har parda  
Ab or na khud ko chupa  
Jivan hai madhuban

Deep jalata chal muskan luta ta chal  
Deep jalata chal muskan luta ta chal  
Thokar se sambhal khud bhi  
Auro ko bhi rah dikha  
Thokar se sambhal khud bhi  
Auro ko bhi rah dikha  
Jivan hai madhuban  
Tu isme phul khila  
Kato se na bhar daman  
Ab man bhi ja  
Ab man bhi ja  
Jivan hai madhuban.
