

Jolly Good Fellow Lyrics

English

Hello, how are you
Mera naam hai jolly
Manane jashan nikli yaron ki toli

Hello, how are you
Mera naam hai jolly
Manane jashan nikli yaron ki toli

Bada colourful sa swag hai mera
Karoon jab use apni meethi si boli
Nature mera hai cool
Baaton mein bana dun fool
Gopiyen bhi line mein hai karne hi hello

He is a jolly good
He is a jolly good, jolly good fellow

He is a jolly good fellow
He is a jolly good fellow
Jai kanhaia laal ki bolte chalo

He is a jolly good fellow
He is a jolly good fellow
Jai kanhaia laal ki bolte chalo

He got what you want
He got what you need
He got what you want
He got what you need

Nachne aai hai rani dekho meri beat par
Kahaan se aayi aise dance step seekh kar
Fularwa beach pe kamariya teri matkin' re
Dekh is jalpari ko saas meri atkin' re

You gotta say

She is hot re
Touch karin' to bolti hai
What re, what re

Arre kripa agar ho gopal ki
Karoon swaagat paraye maal ki
Arre kripa agar ho gopal ki
Karoon swaagat paraye maal ki

System ke jaise badal jaoon
Lage nai currency kamal ki
You are darling, teri smile charming
Kare dil ki hera-pheri without warning

Nature mera hai cool
Baaton mein bana dun fool
Gopiyen bhi line mein hai karne hi hello

He is a jolly good
He is a jolly good, jolly good fellow

He is a jolly good fellow
He is a jolly good fellow
Jai kanhaiya lal ki bolte chalo
