

Just Good Friends Lyrics

English

paanch saal ki pyaari umra
mein phele hum tum mile
saath khele kude aur hum hue re bade
tu bh smarat hain aur Pretty hun mein
khub jodi hain yeh
par pyaar vyaar ke chakkar mein
hum tum kabhi na pade
because we are just good friends
just good friends
that's right we are just good friends
just good friends
yeh dosti humaari hum
pyaar mein kabhi badle nahin

disco mein chale dance
hum kare kyn kisi se dare
pyaari pyaari baate bole
pyaar hum na kare
roj hum mile aur haath
mein haath leke chale
saath saath ghume magar
saath phere na le
because we are just good friends
just good friends
that's right we are just good friends
just good friends
yeh dosti humaari hum
pyaar mein kabhi badle nahin

because we are just good friends
just good friends
that's right we are just good friends
just good friends
yeh dosti humaari hum
pyaar mein kabhi badle nahin

pyaar ki chandni do din ki
phir andheri hain raat
umra bhar bhaut mushkil hain
dena kisika bhi saath
because we are just good friends
just good friends
that's right we are just good friends
just good friends
yeh dosti humaari hum
pyaar mein kabhi badle nahin
just good friends
just good friends
yeh dosti humaari hum
pyaar mein kabhi badle nahin
just good friends
just good friends
yeh dosti humaari hum
pyaar mein kabhi badle nahin
