## English]

Baabe ne rakhi khair kude  
Ni bina gallan ton fire kude  
Ni jithe khadeya khadeya ae jatt  
Chhad da naiyo vair kudey

Galme nu paunda haath rakane  
Gole goole daun waala ni  
Mainu vi tan dikhe rakaane  
लिरिक्सबोगी.कॉम  
Keda matha laun waala ni

Kann gaulda ni shor  
Kude wang da wang da

Din sohniye thaneyan kacherian ch langda  
Din sohniye thaneyan kacherian ch langda  
Oh din sohniye thaneyan kacherian ch langda

Jatt de jede jurat rakane  
Karna chaunde judge kude  
Kine auna haath khada kar dave  
Khulda sadha aaj kude

Chitti gypsy vich bhuriyan vardian  
Waale pichha karde ni  
Court kacheri jail rakane  
Lekhan de vich jatt de ni

Taiyon chun-chun vairi  
Rehnda dangda dangda

Din sohniye thaneyan kacherian ch langda  
Din sohniye thaneyan kacherian ch langda  
Oh din sohniye thaneyan kacherian ch langda

Ho kayi gharan vich ho gaye kayi baahar ni  
Hathan pairan vich aa gayi vekh daar ni  
Shehar vich jatt aa gaya  
Vairi haate ton hoye aa faraar ni  
Ke shehar vich jatt aa gaya

Pairan thalle duniya ae ni  
Sir utte aan taj kudey  
Andar chahe bahar hovaan  
Dovaan thavaan te raj kude

Gal muh te taan badi door rakaane  
Pitth pichhe koi bole na  
Micheal tan hikk vichon fire kadde  
Ni sir sur balliye kholle na

Paale dohein chitte ya  
Kaale rang da rang da

Din sohniye thaneyan kacherian ch langda  
Din sohniye thaneyan kacherian ch langda  
Oh din sohniye thaneyan kacherian ch langda.
