## English

Ik chann ambri ein,  
Mera chann dharti te,  
Reejhan laa banaya rabb,  
Dhan dhan karti e,

Ik chann ambri te,  
Duja chann dharti te,  
Reejhan laa banaya rabb,  
Mehtar aisi karti e,

Jadon shonk naal gidhe vich laave gediyan,

Chit kare kala tikka laadan goriye,  
Nazran na lag jaan tenu meriyan,  
Chit kare kala tikka laadan goriye,  
Nazran na lag jaan tenu meriyan,

Uth sargi de vele billo raaniye,  
Jadon roz tu banave mainu chaa ni,  
Tak ke gulab jeha mukhda,  
Mera ang-ang janda nasheya ni,

Uth sargi de vele billo raaniye,  
Jadon roz tu banave mainu chaa ni,  
Tak ke gulab jeha mukhda,  
Mera ang-ang janda nasheya ni,

Karaan dhanwad os rabb da,  
Jinhe lekhan ch likhaiyan saade ferian,

Chit kare kala tikka laadan goriye,  
Nazran na lag jaan tainu meriyan,

Chit kare kala tikka laadan goriye,  
Nazran na lag jaan tainu meriyan,

Ni nazran na lag jaan tenu meriyan,

Cheemya ch ghar-ghar gallan hundiyan,

Tiwi saareyan ton sohni ae preet si,  
Saare yaar beli karde makhaul ne,  
Bhabhi saadi taur bangi treat di,

Cheemya ch ghar-ghar gallan hundiyan,  
Tiwi saareyan ton sohni ae preet si,  
Saare yaar beli karde makhaul ne,  
Bhabhi saadi taur bangi treat di,

Moti punn kitte kehn tu patandra,  
Bhaag laaye rabb ne na laaiyan deriyan,

Chit kare kala tikka laadan goriye,  
Nazran na lag jaan tainu meriyan,

Chit kare kala tikka laadan goriye,  
Nazran na lag jaan tainu meriyan,

Ni nazran na lag jaan tenu meriyan..
