Mitran da naam japan paraundiya
Haaye ankh teri daaru da je name tod di
Naara sadde parshave diyan sohan khandiyan

Laggno hata doon saanh kadhno hata doon
Mudd ke na kahi mainu pehlan ni keha

Kalli sohni da theka nai leya
Mitran naal hajje tera pecha nai peya

Jamme balla balla ji karaun vaaste
Ghaint fightan alhadan ch hon haq
Chobaran te sohniye jataun vaaste
