

Kamaal Lyrics

English

Kamaal ae, kamaal ae, kamaal ae
Uchana

Lagti hai badi pyaari pyaari
Matt meri tune maari maari
Jab se hai maine dekha tujhe
Dil kare dil de de tujhe

Teri ankhiyan, teri sakhiyan
Jehdi goggles paake rakhiyan

Tera koka teri baali
Tera hassa teri gaali
Kamaal hai, kamaal hai, kamaal hai
Kamaal ae, kamaal ae, kamaal ae
Kamaal hai, kamaal hai
It's your boy badshah

Tere aage peechhe kaate jo chakkar
Hum woh bacche nahi hain
Jaanu hum aashiq hain sacche
Par sacche nahi

Tere do kaudi ke ex ke jaise
Baaton ke kacche nahi hain
Par zindagi hi naam tere hum kar de
Itne bhi acche nahi hain

Paisa waisa sab ok ok hai
Par dil bada grand ae
Gucci vuchi gaye udhar lene
Launda khud ek brand ae

Tune bhi shehr hai sir pe uthaya
Rab ne chhuttiyan leke baby tujhko banaya
Kaise bataun tujhse door kaise reh raha hoon

Balki main to keh raha hoon ki

Teri mummy, tere papa
Tera bhaiya, tera chaacha
Tera dada, teri naani
Teri jamuna nagar wali maami
Kamaal ae, kamaal ae, kamaal ae
Kamaal hai, kamaal hai

Chalti hai jab haule haule
Dil sabka dole, dole
Teri beauty kill kare kare
Dil tujhse na bhare bhare

Tera aana, tera jaana
Tera sabse baahar gaana
Teri hello, teri hi
Teri coffee, teri chai
Teri denim, teri kurti
Teri dance floor pe furti
Teri baatein, teri jhalki
Tu head to toe poori ladki

Kamaal ae, kamaal ae, kamaal ae
Kamaal hai, kamaal hai, kamaal hai
Kamaal ae, kamaal ae, kamaal ae.
