Ghunghru chhanke chhanke

Aayi rut aisi matwali
Ambua ki dali bole koyal kali
Mehma mauji mauj mein aaya loji
Mere data sabko dena roti rozi
Mere data sabko dena roti rozi
Khushiya batna sab insano ko
Kangana khanke khanke
Ghunghru chhanke chhanke

Lage koi aaj akela
Aaj lage ke meri bago mein mela
Mai anjani is rani ki rani
Na jane kya kya sochu re main deewani
Na jane kya kya sochu re main deewani
Mera naam likha deewano mein
Kangana khanke khanke
Ghunghru chhanke chhanke.
