English

Pata toh lage kptaan ae

Oh kare nazaran na vaar jadon kardi ishaare
Ohde luck de hulare yah ne pat te kuware
Ayi joban di rut kudi paundi aa khalare

Main keha sira mutiyare
Main keha sira mutiyare

Kare nazara na war jadon kardi ishaare
Ohde luck de hulare yah ne pat te kuware
Aayi joban di rut kudi paundi aa khalare

Main keha sira mutiyare
Main keha sira

Oh kar daaru de garare jihdi chad di saver
Aankh tere utte aayi nasha chadeya ni pher
Kahdi zindagi ch teri mail gail go gyi
Lage tere pyaar vich mainu jail ho gyi

Haini takddi jo laida kehda pyar nap laa
Chak yaaran toh machine aapey note chhaple
Gal mukdi mukaundi tere muhre sab fail
Baki main sabhlu tu mera dil sabhle

Bada lagda aye ghaint ohde thodi utte till
Laindi life da swaad poora kardi aye chill
Avein janekhane nu na ohno rakhdi kareeb
Jatti kise di vi hoje ahna sasta na dil

Te main ghuman da shounki gerha marda manali

Je aa gerhi laun jana rakhu khabbi seat khali
Na main gaur farmamaan follow kare badi maali
Par tainu naal rakhu jidan chori di danali

Dekh markaan te sarkaan te lagde aa jam
Ohda naa lage pinde hoine kine har sham
Par kehndi kptaan tainu lau na main lare

Bade kehan mada par jama dindi ni

Dekh gallan vich toye munde kehan oye hoye
Taithon balliye tudda ke dil kine hoye roye

Je tu naiyo dasna taan tainu paap lagna

Oh bahu tainu oh banauno phire chobberan di dadi
