Mr. Ram sampath, this is how we do  
Hardkaur and i always did it my way,  
Don't like what i say you need to hit the highway,  
Give it to you straight boy no sideways,  
This is my world all ya punks need to migrate.  
Yeah cuz i'm certified fresh,  
Kill it in a man's world... Better then the rest.  
Determined in my mind so  
I know what my future is,  
Top of the world i rock all metropolis..

I rock the people them, time and time again,  
Many many men, with my paper pen..  
Do what i do to the death till i reach the top.

Don't won't can't shoulda could never ever stop.  
Solo soldier i ain't mrs. Smith,  
Do it big i'm hip-hop's monolith  
Some girls sell their souls for a cameo role but  
I'm that type of chick that ya can't ignore..word

Ram ko dekhye lakshman dekhye  
Ram ko dekhye lakshman dekhye  
Dekhi seeta maai re  
Aye ji dekhi seeta maai re  
Saanwariyo dekh moi re  
Tane ghat tane ghat tane ghat  
Saanwariyo dekh moi re jo ho

All my ladies in the world,  
You better put your fists up,  
All my sisters in the world,  
You better put your words up,  
Freeze.
