Mahima jis ki aprampar
Saak bhat phal aur phool
Sevan kar inka bharpur
Kahte sahkti maa aur put
Rog vaydhi ko rakhe dur

Karana thoda sa vyayam
Kintu na bhule maa visram
Jhog dhysn bhi aawashyak
Aur lena prabhu ka naam

Sok krodh aur kop ko
Kar de antim namskar
Harsh ma man magan rahe
Kare mai aise vyavhaar

Daan puny ke kaaj kare sab
Sab ke saath kare upkaar
Ho putra iasa ho guni
Jis ki hogi jai jai kar
Jis ki hogi jai jai kar
Jis ki hogi jai jai kar

Put hoga chanchal natkhat
Gyani aur bada gunwan
Kehti gauri ki gaiya
Rakhe maiya vishesh dhyan.
