Durriyan durriyan  
Durriyan durriyan  
Durriyan durriyan

Kehti hai yeh hawa  
Kehti hai yeh fiza  
Kal koi tha yehi  
Lekin ab woh nahin  
Woh kahin ab aur hai  
Dard ka daur hai  
Kitna gehra hai ghum  
Kaisa hai yeh sitam  
Kehti hai yeh hawa  
Kehti hai yeh fiza  
Kitne hi gum saho  
Utne hi chup raho  
Kuch naa kaho  
Kuch naa kaho  
Kuch naa kaho  
Kuch naa kaho

Aarzoo so gayi  
Har khushi kho gayi  
Sune hai raaste  
Ab mere waste  
Sirf ek yaad hai  
Ek fariyad hai

Sirf tanhaiyan  
Sirf parchaiyan  
Aasoon ki nadi dil  
Mein hai beh rahi  
Kehti hai zindagi  
Tum bhi is mein baho  
Kuch naa kaho kuch naa kaho  
Kuch naa kaho kuch naa kaho.
