## English

J Trix  
K City  
SubSpace on the beat yeah!

Yeah!  
Chheen ke loonga jo bhi  
Hakk ka hai mera  
Jaise hafta main le raha  
Aakhir kab tak andhera  
Main bhi jaanta hoon khud ko  
Barkat ka lutera  
Agar jaan pe na aaye  
To phir risk kya tu le raha

Jo tu saanp main sapera  
Tu naach mere isharon pe

Hum chamakte hazaron mein  
Keemat kya lagayega  
Tu rehne de na bro  
Hum na maal tere jaise  
Jo bikte bazaaron mein yeah

Double cross karta  
To phir double loss tera  
Na koi boss mera  
Make money cross mera Yeah  
Kitna jhela kuchh toone  
Ab tak full toss de raha  
kick thodi der phir  
Tu dekh kya hai khauf mera

Raaste yeh kaate mera  
Billi hain saale  
Kaam ke beech mein aaye  
To na dheel na denge saale

Bhai hai to sath mere  
Dil denge saale  
Warna kharcha to GST  
With bill denge saale

Mere bhai bole mere jaisa band nahi  
band nahi  
Kyunki dil karun main bhai  
Yeh bas mera dhanda nahi yeah  
Kehte gaanon mein hai sach bade kadve  
Shayad hip hop ka matlab tu samjha nahi  
Likhun gaur se mein to lyrically ill yeah  
Bandi ghar pe physically feel  
Raaton raat humko lock kare deal  
Phir account mein paisa  
Poora gang kare chill yeah!

Khaas hai yeah khaas hai yeah  
Jo gang mere sath woh to khaas hai  
Bandi jo sath usmein class hai yeah  
Khush hoon main jo bhi mere paas hai yeah

Khaas hai yeah khaas hai yeah  
Jo gang mere sath woh to khaas hai  
Bandi jo sath usmein class hai yeah  
Khush hoon main jo bhi mere paas hai

Rap karta jaandar gang poora shaandar  
Joote pehnu gaa\*d phaad  
Rhyme kare aar paar  
Sach ka main jaankar  
Khud se imaandar  
Beaf ki ho baat to halaal karun baar baar

Life mein vibe hai  
Kabhi hype yeh life hai  
Karun rhyme mein tight hoon

Jab bhi mic pe bhai  
To hota shoot at sight  
Yeh na koi prototype

Hoon main to khud jaisa ek hi  
Na badlun side

Mic pe utra to karta main street talk  
Khoya rehta sapnon mein asli hip hop  
Tu ajeeb boht baat zyada kaam kam  
Side ho bhai na pasand humein cheap talk

Muskurate hum to jeete jaate  
Karte mehnat kaafi tabhi gull khilate  
Rehna independent na koi chhoti baat hai  
Kare dil ki farak na chillate  
Sare dil ke saaf hain yeah  
Tabhi mile pyar kyunki dil ki baat hai  
Kare thoda hate woh to chhoti baat hai  
Chhod gaye dost bas ab bhai log sath hain  
Kare do aur do paanch hai

Hath hai kaafi main nakal nahi rakhta  
Yeh rappers like jaali kuchh asal nai lagta yeah  
Mere khon main hip hop koi badal nahi sakta

Yeah khaas hai yeah khaas hai yeah  
Jo gang mere sath woh to khaas hai  
Bandi jo sath usmein class hai yeah  
Khush hoon main jo bhi mere paas hai

Khaas hai yeah khaas hai yeah  
Jo gang mere sath woh to khaas hai  
Bandi jo sath usmein class hai yeah  
Khush hoon main jo bhi mere paas hai.
