

Khicha Ke Lyrics

English

Teri meri baat bigad rahi hai
Baat bigad rahi hai
Teri meri baat bigad rahi hai
Saari duniya k aage
Kyu mujhse jhagad rahi hai
Meri ankhon mein
Ankhien daal ke
Akad rahi hain
Ab to collar ko chhod
Kyu meri gardan
Jakad rahi ahi

Maarunga ek khicha
Ke kaan ke niche
Bajengi fir seeti
Goonjegi teri cheenkhe
Heyyy hhoouo oooooo

Tujhe kya laga
Ki mujhe kuchh
Dikhae nahi deta
Kuch samaj nahi aata
Tu kuch bhi karti firegi
Aur mujhe pata
Bhi nahi chalega

Tune kya samja ki
Mujko kuch bhi
Khabar nahi hai
Meri hi peeth ke peechhe
Tu kya kya kar rahi hai
Mere jaane k baad
Mere wapas aane se pahle
Tu apne yaaro
Ke saath poori

Masti kar rahi hai
Dunga zeher mila
Ke khane mein tere
Milega sukoon fir
Jaane se tere
Heyyy.. Hhoooo.. Oooooooo

Woh baat alag hai ki
Main bhi kuchh doodh
Ka dhula nahi hu
Tere jaane k baad
Teri chhoti behen
Ko ghuma raha hu
Lyricsbogie.com
Teri saheli ko karta
Hu phone bhatere
Poochhu main us
Se shaam savere
Aegi kya kal ko
Tu kamre pe mere
Heyyy.. Hhoooo.. Oooooooo

Koi kami kardi thi
Mene pyaar me
Chhod na yaar kya
Soch raha hu
Maarunga ek khicha
Ke kaan ke niche
Bajengi fir seeti
Goonjegi teri
Dunga zeher mila
Ke khane me tere
Milega sukoon fir
Jaane se tere
Teri saheli ko karta
Hu phone bhatere
Poochhu main us
Se shaam savere
Maarunga ek khicha
Ke kaan ke niche

Bajengi fir seeti
Goonjegi teri cheenkhe.
