

Khoon Choos Le Lyrics

English

Aye le!

Phir aa gaya tu! Face utha ke

Dum lega kya, meri jaan kha ke

Khoon choosne

Tu aaya khoon choosne

Bloody khooni

Monday kyun aaya khoon choosne

Tu jaa re jaa re ja, kabootar jaa

Main nahi jaana, main nahi jaana

Main nahi jaana bistar ko chhod ke

Khoon choos le tu mera khoon choos le

Bloody khooni

Monday tu chaahe..choos le

Main nahi jaana, main nahi jaana

Main nahi jaana bistar ko chhod ke

Khoon choos le tu mera khoon choos le

Bloody khooni

Monday tu chaahe khoon choos le

Da rrrr rrr rrr....

Maana tere naam mein hai 'mann' ek baar

Toh tu mann ki karega kya re monday

Kaahe paaye na karaar

Jab tak tu na yaar

Gaade sunday ki kabar par jhande

Sukoon ke shikari somwaar...

Main nahi jaana, main nahi jaana

Main nahi jaana bistar ko chhod ke

Khoon choos le tu mera khoon choos le

Bloody khooni

Monday tu chaahe khoon choos le

Sunday hai dildaar
Deke maiya ka pyar
Mujhe loriyan gaa ke jo sulaaye
Par tera hai vichar
Ke main shankh hoon yaar
Poore power se mujhko bajaaye

Sukoon ke shikari, somwar..
Kaan khujaana, kaan khujaana
Kaan khujaana ungli ghusod ke
Khoon choos le tu mera khoon choos le
