---

## English

Kiss kiss kiss..

Kiss kiss kiss..

Kiss me one more time time

I want you to be mine mine

Kiss me one more time time

I want you to be mine mine

Let's have fun o o o..

Don't stop let it blow..

Tonight tonight you shine shine,

So kiss me one more time time

I want you to be mine mine,

Kiss me one more time time

Sabko dikha do ke tum cheez kya ho,

Jara show me some attitude

Get flirty flirty hey get naughty naughty

Ki sab jaan le tum ho dude

Sabko dikha do ke tum cheez kya ho,

Jara show me some attitude

Get flirty flirty hey get naughty naughty

Ki sab jaan le tum ho dude

Just give me a sign sign,

Say what's on your mine mine

Won't you let me know,

Don't stop let it blow

Kiss kiss kiss.. One more time

I want you to be mine mine..

Kiss me one more time

I want you to be mine mine..

Nakhare tere jhuth kya main nahi cute,

Tell me i don't turn you on

Mujhpe fida sabhi jo yahan hai,

But you are the one that i want

Nakhare tere jhuth kya main nahi cute,  
Tell me i don't turn you on  
Mujhpe fida hai sabhi jo yahan hai,  
But you are the one that i want  
We two of a kind kind,  
Time to prove in rain  
Let's have fun o o o..
