Kitani khuubasuurat ye tasvir hai  
Are mausam bemisaal benazir hai  
Ye kashmir hai, ye kashmir hai

Parvaton ke daramiyaan hain  
Jannaton ki taramiyaan hain  
Aaj ke din ham yahaan hain  
Parvaton ke daramiyaan hain  
Jannaton ki taramiyaan hain  
Aaj ke din ham yahaan hain  
Saathi ye hamaari takadir hai  
Kitani khuubasuurat ye tasvir hai  
Ye kashmir hai, ye kashmir hai

Is zamin se aasamaan se  
Phuulon ke is gulasitaan se  
Jaanaa mushkil hai yahaan se  
Is zamin se aasamaan se  
Phuulon ke is gulasitaan se  
Jaanaa mushkil hai yahaan se  
Taubaa ye havaa hai yaa janzir hai  
Kitani khuubasuurat ye tasvir hai  
Ye kashmir hai, ye kashmir hai

Ai sakhi dekh to nazaaraa  
Ek akelaa besahaaraa  
Kaun hai vo ham kahaaraa  
Ai sakhi dekh to nazaaraa  
Ek akelaa besahaaraa  
Kaun hai vo ham kahaaraa  
Mujhasaa koi aashiq ye dilajir hai

Are, kitani khuubasuurat ye tasvir hai  
Ye kashmir hai, ye kashmir hai.
