Let me enjou  
This moment  
Kites in the sky  
Soaring together  
Lover forever  
Forever is a lie  
Who

Holds the twine in his hands  
What has destiny planned  
Will the heart understand  
Kites in the sky  
Soaring together  
Lover forever  
Forever is a lie  
This love  
Is killing me  
I can feel it  
But why can not touch it

I want to fly  
With you tonite  
Let me enjoy  
This moment

Kites in the sky  
Lover forever.
