Kitni haseen ho tum  
Yeh gesuo ke saye  
Meri zindagi pe chhaye  
Lagte to ho paraye  
Dil ki karib ho tum  
Kitni haseen kitni haseen kitni  
Kitni haseen ho tum

Mukh se niqab utha do  
Soyi fiza jaga do  
Pehle hume dikha do  
Kiska karar ho tum  
Kitni haseen kitni haseen kitni  
Kitni haseen ho tum

Zamdish teri nazar mein  
Jo jaam hai safar mein  
Palko ki rahdish mein  
Chupke se aa mile tum  
Kitni haseen kitni haseen kitni  
Kitni haseen ho tum

Chandi ka yeh badan hai  
Ya chand ki kiran hai  
Jiski bhi ranjman hai  
Hosh o hawash hai gum  
Kitni haseen kitni haseen kitni  
Kitni haseen ho tum.
