Re babu kohram mach gaya re kohram

Put your hands in the air and  
Move your body and say o say o  
Put your hands in the air and  
Move your body and say o

Ishqe da rog e walla kehde paase jawa  
Har paase tu hi tu hai jehde paase jawa  
Ishqe da rog e walla kehde paase jawa  
Har paase tu hi tu hai jehde paase jawa  
Kambakht jeenay na de  
Honthon ko seenay na de  
Kar de yeh neendein haram  
Kohram teri aankhon ka kohram  
Tere honthon ka yeh jaam  
Ab jo bhi ho anjaam  
Kohram teri aankhon ka kohram  
Tere honthon ka yeh jaam  
Ab jo bhi ho anjaam

Jadoo teri adaayein  
Bebas dil ko kar jaaye  
Chupke se dil ko churayein  
Bali teri umaria tirchi teri nazaria  
Kaise hum khudko bachayein  
Aag yeh badti jaaye  
Mann mera jal na jaaye  
Sochu yehi subah shaam  
Kohram teri aankhon ka kohram  
Tere honthon ka yeh jaam  
Ab jo bhi ho anjaam  
Kohram teri aankhon ka kohram  
Tere honthon ka yeh jaam  
Ab jo bhi ho anjaam

Put your hands in the air and  
Move your body and say o say o  
Put your hands in the air and  
Move your body and say o

Dilkash teri jawani  
Tu hai khwabon ki rani  
Kyun na kahun main paarwan  
Resham teri hai baahein  
Tum par meri nigahein  
Kehna tha tera dilruba  
Tumko churana chahun  
Apna banana chahun  
Ho jaaun chahe badnaam  
Kohram teri aankhon ka kohram  
Tere honthon ka yeh jaam  
Ab jo bhi ho anjaam
