Koi bhiga umag se  
Koi bhiga hai tarag se  
Koi bhiga hai bhag se  
Koi bhiga hai rag se  
Koi bhiga umag se  
Koi bhiga hai tarag se  
Koi bhiga hai bhag se  
Dholanaa prit ki  
Boliyaan bolanaa  
Teri jhaanjhari  
Jhunjhun kare dil kaa  
Bhramar gungun kare  
Aise naa de gaali mujhe  
Aai yahaan ragane tujhe  
Masto ki toli re  
Holi re holi re  
Holi re holi re

Aaya paradesi aaya  
Aisi saugaat laaya  
Dhum jisaki machi gaanv me  
Gaaye jogiraa gaae  
Naache sabako nachaaye  
Binaa ghungharu  
Baandhe paanv me  
Jhume zami jhume  
Gagan aai khushi sab hai magan  
Bechain man paagal hai tan  
Dekhe mujhe maare gulabandan  
Naino se goli re  
Holi re holi re

Holi re holi re

Holi re holi re

Holi re holi re

Mhaare sapano ki doli

Chorichori saja de

Gori chhori bajaa de kanganaa

Ho mhaaraa baiyaan

Marode mhaari chudi ko tode

Mhaaraa pallu naa

Chhode saajanaa

Thodaa tujhe

Tarasaangaa thodaa

Tujhe tadapaaungaa

Seharaa saja ke aaungaa

Phaagun me le jaaungaa

Mai thaari doli re

Holi re holi re

Holi re holi re

Holi re holi re.
