---

## English

Krazzy 4 .... Krazzy 4

Krazzy with a k.... That's the way  
Say k...r...a...zee...zee...y  
Do it anyway...just put the k...  
In k...r...a...zee...zee...y

Break free gotta get some chhutti  
Tod do zanjeeron ko...  
Break free get ready kyon ki...  
Aa rahe hain krazzy 4...

They may be nuts... but they've got guts  
Woh hai paagal deewane  
And they don't care... if people stare...  
Laga dein sabko thikane...

They'll make you drool... they ain't no fool...  
Chant hain wo mastane...  
And if that's mad... its just too bad...
