Mata ka pata lagao tum  
Dukhiyo ka dukhda dur karo  
Sankatmochan kahlao tum

Apna pavansut wo balpan  
Kuch yad karo kuch yad karo  
Apna pavansut wo balpan  
Vidhyut ki gati, vidhyut ki gati  
Jisme thi wo adbhut balpan

Dunia thi dang dekh tumhari udan ko  
Tumne hilke rakh diya tha asman ko  
Akash tumhare liye tha ek akhara  
Ha ha ek akhada jisne bhi li takkar use

Pal bhar me pachada  
Bijli ki tarah lapake the suraj ki taraf tum  
Mukhde me chipakar ke kiya  
Diwakar ko gum

Tum kha gaye bhabhka hua agni ka gola  
Ha ha agni ka gola ha ha agni ka gola  
Takat tumhari dekh kar brahmand tha dola  
O hanuman ji kaha gayi wo sakti vilakshan

Phir ek naya dusman tumhe lalkarne laga rahu  
Phir ek naya dusman tumhe lalkarne laga  
Ankhe dikhake sekhiya bagharne laga rahu  
Usko bhi mari lat tumne baat baat me  
Adi ko kiya mat tune baat baat me  
Jab rahu gaya har to phir inder bhi aya  
Jhunjhla ke usne tumpe

Apna vajar chalaya or annt me sab ho gaya  
Jhagdo ka safaya jhagdo ka safaya,  
Jhagdo ka safaya, sab devo ne milkar  
Tumhe vajrang banaya, hai aj kasoti tumhari  
Hai aj kasoti tumhari, kesri nandan
