

# Kyun (Title) Lyrics

---

## English

Tumse hi hai pyaar kyun koi ye samjhaaye  
Har ghadi tera intezaar kyun  
Ishq agar khuda ne likha hai toh batlao  
Isme itna hai khaar kyun

Hmm...  
Hum saath jeeyenge  
Sang khaayi jo kasmlein  
Badal hi denge hum  
Duniya ki rasmein

Nazron se sabki  
Chup chup ke milna  
Namm aankhon se phir  
Alvida kehna

Guzra bhi unn raahon se  
Waadon se jo thi judi

Hmm...guzra bhi unn raahon se  
Waadon se jo thi judi  
Khoye hai hum unn khwabon mein  
Jo hain adhoore pade

Yun tujhse bichhad ke  
Mohabbat badh gayi hai  
Hai yaqeen mere liye  
Tu khuda se lad rahi hai

Kaandhe pe mere  
Jab tera sar tha  
Haseen thi duniya  
Rangeen shehar tha

Ye humara milna

Ittefaq nahi hai  
Marzi hai khuda ki  
Mazaak nahi hai

Hmm...rab ne joda hai  
Phir sahe kyun sitam  
Agar ishq khuda hai  
Phir kyun bichhde hum.
