Tainu mili si ve jad main
Bade supne si mere
Mainu tu pyara si
Gall karli si ghare
Kahton shadd gya kalli nu
Ve kon pyaare si tere

Sab laare si tere
Jo si gallan terian
Sab laare si tere
Jo si gallan terian
Taras na ayea ve
Lut laiyan khushain merian
Sab laare si tere
Jo si gallan terian

Tere karke main
Haar te shingaar laundi si
Puche bina ve
Main gharon bahar aundi si

Tere karke main
Haar te shingaar laundi si
Puche bina ve
Main gharon bahar aundi si
Tainu dassea si
Mainu bahar mang den ge
Puche bina mainu
Sooli tang den ge
Puche bina mainu
Sooli tang den ge

Tu tan khushi manai hau
Ve tu tan khushi manai hau

Te hanju khaare si mere
Khaare si mere

Sab laare si tere
Jo si gallan terian
Sab laare si tere
Jo si gallan terian
Taras na ayea ve
Lut laiyan khushain merian
Sab laare si tere
Jo si gallan terian

Tainu ajj vi chaundi aan
Par mar je chaa mere
Jo akhri manzil hai
Ose wall raah mere
Beshak likhda rahi
Sandhua bewafa na kahi
Mera supna tu hi si
