

# Lage Reh (Title) Lyrics

---

## English

Yeah!

2006 pehla saal mera Mumbai ka  
Khwaab tha main star banu  
Aaj bhi bas ummeedgar

Socha tha kuchh banunga  
Na darunga bas karoonga aur  
Main bhi Bachchan Shahrukh  
Ki tarah hi aage badhoonga

Nazariya ek dikhlaunga  
Poori duniya ko bha jaunga  
magazino ke coveron pe aake  
Main bhi muskuraunga

Main sabse ghul mil jaunga  
Duayein bhi kamaunga  
Main hero banke filmon mein  
Khud ke gaane bhi to gaunga

Audition to regular hoti hai  
Aur bheed mein main bhi hota tha  
Apne khwaabon ki baaton mein aake  
Main bhi raaton ka na sota tha

Aur mere jaise kayi hain yahan pe  
Actors ka bhandar hai  
Par khareed-dar hain kam  
Yeh rishtedaron ka bazaar hai

Yahan shuru mein maze to aate hain  
Phir atyachaar bhi hota hai  
Tere face mein ab woh baat to hai  
Par tu thoda sa mota hai  
Teri comedy bhi achchi hai

Bas dance ne tujhko roka hai  
Aur jab sab kuchh maine seekha  
To ek standard dialogue thoka hai

Lage reh, bas lage reh  
Oh bhai tu lage reh  
Lage reh, bas lage reh  
Oh bhai tu lage reh  
Lage reh, bas lage reh  
Oh bhai tu lage reh

Lage reh, bas lage reh  
Oh bhai bas lage reh

Lage hain, bas lage hain  
Oh bhai bas lage hain  
Lage hain, bas lage hain  
Oh bhai bas lage hain  
Lage hain, bas lage hain  
Oh bhai bas lage hain  
Lage hain, bas lage hain  
Oh bhai bas lage hain

Kuchh hoga to batayenge  
Tujhko khud se bulayenge  
Lekin jaane pehchane sitaron ko jaano to  
Sar pe sab bithayenge

Tu ek dum top pe jayega  
Yeh jhoothe vaade layenge  
Aur jis din main yahan hit hua  
Saare apna hakk jatayenge  
Humko to pehle hi malum tha  
Aap ek na ek din chhaoge  
Lyricsbogie.com  
Industry ki market mein aate hi aap  
Inn sabki market ko khaoge

Kya dikhte ho, kya likhte ho  
Har type ki film mein aap bikte ho  
Bas samajh lo jaise ki lakhon ki

Aankhon mein aap hi aage bas tikte ho

Boss! Teri bullshit  
Kisi aur ko sunaiyo  
Tu abhi kaam sath karle  
Warna baad mein mat aaiyo  
Hoon main kalakaar  
Hai kala meri bhaari  
Now you don't wanna waste my time  
My brother you will be sorry

Lage reh, bas lage reh  
Oh bhai tu lage reh  
Lage reh, bas lage reh  
Oh bhai tu lage reh  
Lage reh, bas lage reh  
Oh bhai tu lage reh

Lage reh, bas lage reh  
Oh bhai bas lage reh

Lage hain, bas lage hain  
Oh bhai bas lage hain  
Lage hain, bas lage hain  
Oh bhai bas lage hain  
Lage hain, bas lage hain  
Oh bhai bas lage hain  
Lage hain, bas lage hain  
Oh bhai bas lage hain

Lage reh tu, lage reh tu  
Lage reh tu, lage reh tu  
Lage reh tu bas dil-o-jaan se bhaari  
Tera kaam apne aap ek din saamne aayega  
Tu dhyaan juta meri maan le bhai  
Iss lagaam ko tu thaam  
Apne kaam se tu kaam rakh  
Dil mein jo kafan hai  
Woh baandh le bhai  
Iss jage huye sapne mein  
Apne ko jeetna hai

Apna to yehi armaan hai bhai  
Suno mere yaaron  
Mere gaanon se pehchano  
Jatt pagla deewana mere jaisa nahi hai  
Chahe yeh zamana tera maane ya na maane  
Main tujhe itna bata doon  
Maine rukna nahi hai

Logon ke dilon mein jaake main rahunga  
Gaane aur filmein banate main rahunga  
Dhanda nahi karta, main hero bhi banunga  
Satya ki jeet to phir aage hi badhunga

Lage reh, bas lage reh  
Oh bhai tu lage reh  
Lage reh, bas lage reh  
Oh bhai tu lage reh  
Lage reh, bas lage reh  
Oh bhai tu lage reh

Lage reh, bas lage reh  
Oh bhai bas lage reh

Lage hain, bas lage hain  
Oh bhai bas lage hain  
Lage hain, bas lage hain  
Oh bhai bas lage hain  
Lage hain, bas lage hain  
Oh bhai bas lage hain  
Lage hain, bas lage hain  
Oh bhai bas lage hain

Be at it, just be at it  
Be at it, just be at it  
Be at it, just be at it  
Be be be be at it.
