Ya pyaar ke sab gehne pehnaake, dil mein bithaake

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Laija udaake, laija churaake

Laija udaake, laija churaake

Ya pyaar ke sab gehne pehnaake, dil mein bithaake

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Dil tear hai teri jaan ho gayi, meri taraf se toh haan ho gayi

Maangu main teri hi manjooriyaan, ab mit jaane de yeh duriyaan

Najdik aake, najdik aake, nazarein ladaake

Jitne hai saare jaadu chalaake, dil mein bithaake

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Aanchal mera thaamle tu jara, yeh terehi pyaar se hai bhara

Tujhme base mere saare jahaan, tere siva ab main jaau kahaan

Sabse chhupaake, sabse chhupaake, sabse bataake

Ya phir yeh saari duniya bhulaake, dil mein bithaake

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laija laija re, mujhe ghar laija laija

Mujhe ghar laiija laiija re, mujhe ghar laiija laiija  
Laiija udaake, laiija churaake  
Laiija udaake, laiija churaake  
Ya pyaar ke sab gehne pehnaake, dil mein bithaake  
Mujhe ghar laiija laiija re, mujhe ghar laiija laiija  
Mujhe ghar laiija laiija re, mujhe ghar laiija laiija  
Mujhe ghar laiija laiija re, mujhe ghar laiija laiija  
Mujhe ghar laiija laiija re, mujhe ghar laiija laiija.
