English

Lakh khushiya paatshahiya je satgur nadar kare
Lakh khushiya paatshahiya je satgur nadar kare
Lakh khushiya paatshahiya je satgur nadar kare
Nimakh vekh har naam de mera man tan shital hoye
Jisko purab likhiya tin satgur charan gahe
Tin satgur charan gahe
Lakh khushiya paatshahiya je satgur nadar kare

Sabhe thok praptae je aave ik hath
Janam padarath safal hai je sacha shabad kath
Gur te mahal praptae jis likhiya hove math
Lakh khushiya paatshahiya je satgur nadar kare
Mere man ekas seu chit laye
Ekas bin sab dhand hai, sab mithia moh maaye
Lakh khushiya paatshahiya je satgur nadar kare
Lakh khushiya paatshahiya je satgur nadar kare

Safal murat safla ghadi jit sache naal piyaar
Dukh santaap na lagai jis har ka naam adhaar
Baahan pakad gur kaadiya soi utriya paar
Lakh khushiya paatshahiya je satgur nadar kare
Lakh khushiya paatshahiya je satgur nadar kare

Thaan suhava pavit hai jithe sant sabha
Tohi tis hee nu mile jin pura guru labha
