

Lambo (Title) Lyrics

English

Wo bole nasty tu thoda dheet hai
Munh fat thoda neech hai
Is game main tera bohut beef hai (skrrrrraaahh)
Sare leech ye nalle rappero main zara bhi nah steez hai
Hai mere beech main
Per main speed main
Abhi label saare bhage mere peeche
Gang karo bang main solo
Lamborghini tera bhai main na slow bro
Ye hai escobar keep it low low
Har ek bar de pachaad jaise stone cold
Main tha underrated am low low
Am chillin like villain like mojo
Gucci lui bhi pehnu main on show
I'm selling the dope feint some more dope(yaahh)

Gaadi daude meri sau ki speed pe
Gati meri cheerti toofaan tezi scene ye
Gaane baje Lambo main
We top of the scene yeah
Shwattie want a reply
Lambo wali feel le ay-ay
Gaadi daude meri sau ki speed pe
Gati meri cheerti toofaan tezi scene ye
Gaane baje Lambo main
We top of the scene yeah
Shwattie want a reply
Lambo wali feel le ay-ay

Mujhpe karna tu ek upkaar
Patli gully se hoja tu faraar
Tola-tola gang mera kala manaal
Mere flows mere bars meri beat angaar
Main shateer kheli tu chalna na chaal
Super duper se bhi uper ka maal

Banger pe banger main karta khalas
Amitabh bachchan ye meri sarkar
Main tha underrated am low-low
Am chillin like villain like mojo
Gucci lui bhi pehnu main on show
I'm selling the dope feint some more dope(yaahh)

Gaadi daude meri sau ki speed pe
Gati meri cheerti toofaan tezi scene ye
Gaane baje Lambo main
We top of the scene yeah
Shwattie want a reply
Lambo wali feel le ay-ay
Gaadi daude meri sau ki speed pe
Gati meri cheerti toofaan tezi scene ye
Gaane baje Lambo main
We top of the scene yeah
Shwattie want a reply
Lambo wali feel le ay-ay

Gaadi meri abhi tez hai
Police lage abhi chase pe
Nakli Rapper mere peeche pade
Kyunki unhe laga ye race hai
Fast meri ye lambo
Rap ke jungle me mein jango
Akele in sab ko khol doon
Log bolne lage mujhe Rambo

Gear kare tu shift
Meri waali automatic
Meri gadi kare drift
Teri Bandi bole savage
Hot car pe hot wheels aur
Tight mera grip grip
Upar se neeche tak
Gucci wali drip-drip
Gaadi itni tez ab
Main ban chuka hoon tezaab
Acid wala flow

Toh phir chalu karo trip trip

Gaadi daude meri sau ki speed pe

Gaane bane roz roz log-wog bake khota khali

Humko toh karni manmani shaane toh jaise khandani

Armaan toh jaise armaani,

Talent k saath abhi dekh tu kala bhi

Hua jo late toh tezi badadi

Na lagega break chal rashta kar khali

Take over scenes bole hote hum haavi

Haath sabka uper kudo mere saath

Karke dikhate na dete khote raag

Mere ladke sab aage tu piche unke bhaag

Hum na lage kisi ke haath

Kyun sabse aage ager man mein sawal

Youtube pe tu jaake dekh number aur bars

Phir soch mere baare bol kya hai khayal

Bangers pe banger ye kaisa kamal.
