

# Let's Celebrate Lyrics

---

## English

Hey listen baby baby  
I'll do anything for you you  
Nah i'm just joking joking  
I even go to the moon for you  
So tu ho ja meri ready ready  
Na i won't wait anymore  
I just wanna party hard like a animal

I see her dancing  
Lagdi outstanding  
No love or passion  
For you all this was a fashion  
Pretty blue rang di vi jeans  
Ton neele rang di kameej  
Sadda dil kar gyi tu freeze  
Saanu lagni dutch police
