

Let's Give Love A Chance (Dum-A-Dum) Lyrics

English

Everybody's talking about the peace in the world
All we get to see is the pain and the hurt
We don't want no war,
We don't want no fights
No guns no bombs, no fists with the knives

Hmm yeah

Everybody's talking about the peace in the world
All we get to see is the pain and the hurt
We don't want no war,
We don't want no fights
No guns no bombs, no fists with the knives

All i'm saying let's give love a chance
All i'm saying let's give love a chance
Do you like the song?
Then sing it with me

And this is how it goes

All i'm saying let's give love a chance
All i say let's give love one.

Let's give love one chance

All i'm saying
All i'm saying let's give love one

Chaar charag tere balan hamesha
Laal mori laal mori rakhiyo bala jhullaalan
Laal mori
Chaar charag tere balan hamesha
Chaar charag tere balan hamesha

Panjwaa main baalan aai aan bala jhoole-lalan
Ho panjwan main baalan
We don't want no war,
We don't want no fights
No guns no bombs, no fists with the knives
Ho panjwaa main baalan aai aan bala jhoole-lalan
Sindhri da, sehwan da sakhi shabaaz qalandar
Duma dum mast qalandar, ali da pehla number
Duma dum mast qalandar, sakhi shabaaz qalandar
Duma dum mast qalandar, sakhi shabaaz qalandar
Dum-adum mast qalandar

All i'm saying let's give love a chance

Jhanan jhanan teri nobat baajey
Jhanan jhanan teri nobat baajey
Naal baje ghadyal bala jhoole lalan
Ho naal baje...
Ho naal baje ghadiyal bala jhoole lalan
Oh sindhri da, sehwan da, sakhi shabaaz qalandar
All i'm saying let's give love one chance
All i'm saying
Duma dum mast qalandar, sakhi shabaaz qalandar
Duma dum mast qalandar, ali da pehla number
Laal mori, laal mori
Rakhiyo bala jhoole laalan lal mori
Duma dum mast qalandar.
