

# Life Mein Time Nahi Hai Kisi Ko (Title Track) Lyrics

---

## English

Dekho life hai ye race nahi iss me hai pace  
Dekho life hai ye race nahi iss me hai pace  
Dada ji sune bhajan baby light kare base  
Khul ke jina to koi crime nahi hai

Time nahi hai baba time nahi hai  
Time nahi hai baba time nahi hai  
Time nahi hai baba time nahi hai  
Time nahi hai baba time nahi hai

Make people happy people happy  
Middle in my dream  
She was my queen  
A castle in amount top  
Rivers in streams look it, son  
Life from the sky on my pocket  
Give it to you latter  
In a form of a locket  
What you wanna do baby  
It's some of you  
Watch it make it break it down  
The music would you snooze  
Let's sharp it up  
Make it feel the groom  
Make people happy people happy

Kahi baap nahi free kahi beta hai busy  
Sabke mood hai alag sabka maamla nijji  
Koi left mein chale koi right mein chale  
Sabke rout hai alag nahi rout ye easy

Sur ek ho sabhi ke aisi rhym nahi hai  
Time nahi hai baba time nahi hai  
Time nahi hai baba time nahi hai

Time nahi hai baba time nahi hai

Time nahi hai baba time nahi hai  
Ho dekho life hai ye race nahi iss me hai pace  
Dada ji sune bhajan baby light kare base  
Khul ke jina to koi crime nahi hai

Time nahi hai baba time nahi hai  
Time nahi hai baba time nahi hai  
Time nahi hai baba time nahi hai  
Time nahi hai baba time nahi hai

Time nahi hai baba time nahi hai  
Time nahi hai baba time nahi hai  
Time nahi hai baba time nahi hai.
