Line laga, mind laga  
Line laga zara mind laga

Naram naram naram garam garam aah  
Naram naram naram garam garam aah  
Candle night pe sun ko rakh kar  
Man ki baatein keh dena  
Waiter saare star jahan tu  
Chaand ko gift mein kar dena  
Aisi dating ki setting ko tu date de  
Yeh fillam superhit hai thoda weight de

Naram naram naram garam garam aah  
Naram naram naram garam garam aah

Deisel ki shirt, armani ka suit  
Police ka chashma, ck ka boot  
Arre gentleman tu re bapu  
Lambi gaadi pe ja  
Baalon ko gel maar, perfume udel daal  
Wallet mein note bhar, gullak tatol daal  
Aisa kar tab re babu aise tu ladki pata  
Oh ulte-seedhe tere funde  
Padwaayega mujhko dande

Naram naram naram garam garam aah  
Naram naram naram garam garam aah

Line laga, mind laga  
Line laga zara mind laga

Naram naram naram garam garam aah  
Naram naram naram garam garam aah  
Ishq samundar, poora andar  
Usmein swim tu kar lena  
Love ka baadal cone mein bharkar  
Jhatpat chat tu kar lena  
Dil fultu dena chaahe thoda late de  
Yeh fillam superhit hai thoda weight de

Naram naram naram garam garam aah  
Naram naram naram garam garam aah  
Disco mein dance kar hoja tu cool  
Kuchh to romance kar, duty tu bhool  
Body shoddy teri flaunt to kar  
Tattoo bhi le banwa  
Style mein bachchan, hritik sa dude  
Rajini ka action, shahrukh ka mood  
Arre bollywood hero babu, heroine use bana
