

Living Legend Lyrics

English

Kismat ne roka
Par lad ke hum aaye
Jo bole namumkin,
Hum kar ke dikhaye
Karengye ye yaad
Agar yahan se hum jaaye
Iss khel main hum legend,
And legends never die

Kismat ne roka
Par lad ke hum aaye
Jo bole namumkin,
Hum kar ke dikhaye
Karengye ye yaad
Agar yahan se hum jaaye
Iss khel main hum legend,
And legends never die

Kismat ne roka
Par lad ke hum aaye
Jo bole namumkin,
Hum kar ke dikhaye
Karengye ye yaad
Agar yahan se hum jaaye
Iss khel main hum legend,
And legends never die

Kismat ne roka
Par lad ke hum aaye
Jo bole namumkin,
Hum kar ke dikhaye
Karengye ye yaad
Agar yahan se hum jaaye
Iss khel main hum legend,
And legends never die

Lelo salah meri
Ab kalakari mujhe fal hai de rahi
Kalam chala toh teri kala ko jala degi
Galan teri na suchi hai tu toh bada veli
Inki jagah le li toh zindigi bhi ab daga deri

Wow haram kiya inka mene jeena
Bahaya khoon aur paseena
Sab kuch clear hai, aquafina
Like wow,
Net pe beth ke bole
One love, i don't give a f**k
Serving these rappers up
Jaise mein serena,

Wow kon achiever,
Ye toh saaf hai kafi
Aana taani kar ya taaka jhaaki
Ye kalam hai zyada bhari
Tokiyo na mujhe
Kyo-tu marna chahta jaani
Game hai mujhe pyaari
I'm her hero shr my nagasaki

Arey arey kyun lage ye dare dare
Dekhe mujhe ageh bade to sade pade
Ye khade khade
Jale pade, hum aise nahi pale bade
Mujhse kyun ye ladr mare?
Haar bhi ab inke gale chade

Flow icey, mahaul lage moscow
Tera bhai lage baller, no cosco
Dekhe yahan aate jaate maine boht log
That red dot will make you do a dash
Jaise mosre code
Lagai class, likhai meri khaas
Kamyaabi ki hai bhook
Aur viraasat ki hai pyaas, haan
Kali das, har gaana itihaas

Jaunga main aaj toh
Kareng mujhe yaad, haan

Kismat ne roka
Par lad ke hum aaye
Jo bole namumkin,
Hum kar ke dikhayee
Kareng ye yaad
Agar yahan se hum jaaye
Iss khel main hum legend,
And legends never die

Kismat ne roka
Par lad ke hum aaye
Jo bole namumkin,
Hum kar ke dikhayee
Kareng ye yaad
Agar yahan se hum jaaye
Iss khel main hum legend,
And legends never die

Living legend, living legend
Living legend tera bhai
Living legend, living legend
Living legend till i die

Kathin raaste, tu jaanch le,
Hum hanfte nahi
Saanp bhare ghaas main
Hum faasle se bhagte nahi
Chipe inkr raaz paise baant le
Ye naachte bhi
Rap meri art toh
Phir ladunga samaj se hi
Legends never die,
They rise, kareng fight
Ye lies kare divide par
Guys kare deny ye

Grind kare bhai toh
Rise kareng high

Sachai karega write toh
Hype banega mic pe
Deen imaam nahi khoya,
Maine paya jo boya
Jitna chahya nahi khaaya
Phir bhi maine paya hai dhoka
This city i ran,

Jaise hoon main ayatollah,
Tu high hai thoda
Aaya to laaya fire,
Ab safaya hoga
Godh bhare memne,
Ab goat bane game main
Sound kare same,
Ye toh lame lage name se
Bhagwan mera namesake,
Jwala mera aim dekh
Hall of fame nahi daalo
Mujhe hall of flame mein

Lagai class, likhai meri khaas
Kamyaabi ki hai bhook
Aur viraasat ki hai pyaas, haan
Kali das, har gaana itihaas
Jaunga main aaj toh
Karengi mujhe yaad, haan

Kismat ne roka
Par lad ke hum aaye
Jo bole namumkin,
Hum kar ke dikhaye
Karengi ye yaad
Agar yahan se hum jaaye
Iss khel main hum legend,
And legends never die

Kismat ne roka
Par lad ke hum aaye
Jo bole namumkin,

Hum kar ke dikhaye
Karengye ye yaad
Agar yahan se hum jaaye
Iss khel main hum legend,
