Daaru peene do bar close hone wala hai  
Nasha har roz hone wala hai  
Jaldi-jaldi sab apne glass bharwa lo  
Kyonke bar close karke bartender jane wala hai.

Tori nahi main puri botal hi tika rakhi rahi  
Lal choti aakhein kaale chashme se chipa rakhi hai

Kale chashme se chipa rakhi hai,

Duniya ki fikre sab

Dhuwein mein uda rakhi hai.

Is gaane pe ye ladki sari raat naachege

Is gaane pe ye ladki sari raat naachege

Is gaane pe ye ladki sari raat naachege

Roz raat hip ko ye hop karwati hai

Saheliyon ko lambi lamborghini mein ghumati hai

Horn na bajaati over take karti jaati hai

One thousand dollar wali lal lipstick lagati hai.

On the floor daru ki botal

Leke main nachungi

Jisko jaana hai jaaye  
Ghar main apne aap hi aa jaungi.

On the floor daru ki botal leke ye naachegi  
Jisko jana hai jao  
Ye apne aap hi aa jayegi.

Itni peeti hoon par main ghar pohanch jaati hoon  
Ek dedh lakh single night mein udaati hoon  
Itni peeti hoon  
Aur ye ghar pohanch jaati hai  
Ek dedh laakh, single night ka udati hai.

Mere muh mein lollipop bottles karlo pop
