

Longing (Episode 4) Lyrics

English

No way you could hold back time
The world will turn the sun will shine
Its all for you

Give up searching, let it go
The moon will rise the rivers flow
Its all for you

No way you could hold back time
The world will turn the sun will shine
Its all for you

Give up searching, let it go
The moon will rise the rivers flow
Its all for you

Tujhe najron se piya
Teri khushboo main jiya
Sab tere hai, sab tere hai
Teri palkon ko chhua
Aur dhadkan ko suna
Sab tere hai, sab tere hai

No way you could hold back time
The world will turn the sun will shine
Its all for you

Give up searching, let it go
The moon will rise the rivers flow
Its all for you

Tujhe najron se piya
Teri khushboo main jiya
Sab tere hai, sab tere hai
Teri palkon ko chhua
Aur dhadkan ko suna
Sab tere hai, sab tere hai

Pyas badhti gayi

Hosh ghatthi gayi
Chah baddi gayi
Mad kafi na hua
No way you could hold back time
The world will turn the sun will shine
Its all for you
Give up searching, let it go
The moon will rise the rivers flow
Its all for you

No way you could hold back time
The world will turn the sun will shine
Its all for you
Give up searching, let it go
The moon will rise the rivers flow
Its all for you

Tujhe najron se piya
Teri khushboo main jiya
Sab tere hai, sab tere hai.
