Leader ne kayi aithe kalakaar ne
Andar ne kayi te pagaunde baahar ne
Kayi oh ne jinna ton ve use ni hoye
Kayi nave bane vairi munhon bole yaar ne

Aim kise da te kihdi kadon game ho jau
Fayada kise da te hor koyi blame ho jau
Kayi shooter taan tere piche esse gallon ne
Goli sidhu de je maari sadda name ho jau

Oh mana ch gaddari wafadari dinde ne
Info kayi bande sarkaari dinde ne
Tere munh te jo teri lambi life mangde
Oh tere pith piche sidhu aa supari dinde ne

Tere mathe lekhe lekh hathiauna chaunde ne
Tere wangu duniya te chhauna chaunde ne
Jeonda jagda na hove compete jinna ton
Tainu frustrate hoke marwauna chaunde ne
Frustrate hoke marwauna chaunde ne

Mainu fikar rehndi teri taan

Fikar rehndi teri taan
Main taan mar jaani aa ve
Haan mar jaani aa

Haaye haaye ve jadona
Khabran ch aunde tera naa
Khabran ch aunde tera naa
Main taan mar jaani aa ve
Main taan mar jaani aa

Haaye haaye ve jadona
Khabran ch aunde tera naa
Haaye haaye ve jadona
Khabran ch aunde tera naa
Haaye haaye ve jadona.
