Aarshan ton vi uchi main,

Hathi pyar talama pa ke,
Chadeya wich asmaan chada ke,
Fer hawa de kis rukh wag-gi,
Mudke vi na puchhi main,

Jinni waari tutti main,
Ohni waari lutti main,
Jinni waari tutti main,
Ohni waari lutti main,

Gallan kayi sade wass na rayian,
Ladhdi jawani seki kayian,
Wang kameejan samaj hamesha,
Mailey kar ke sutti main,

Jinni waari tutti main,
Ohni waari lutti main,
Sajna de hath dor fada gayi,
Aarshan ton vi uchi main,

Husna de kayi wapari,
Assi nimani jind has ke waari,
Oh ta jhalla jhaad ke turr gaye,
Reh gayi bas sutti main,

Jinni waari tutti main,
Ohni waari lutti main,
Jinni waari tutti main,
Ohni waari lutti main,

Daade ki takdeeran likhian,
Than than sadiyan sadran vikkian,
Assi ta apna aap wareya,
Har koi aakhe rukhi main,

Jinni waari tutti main,
Ohni waari lutti main,
Sajna de hath dor fada gayi,
Aarshan ton vi uchi main,

Maa meri mainu maaf tu kardi,
Ho ke natt di honke bhardi,
Pyar di iss rangli duniya ton,
Turr jana ae russi main,

Jinni waari tutti main,
Ohni waari lutti main,
Jinni waari tutti main,
Ohni waari lutti main.
