

LV Lyrics

English]

Yeah proof!

Kaali gaddi cho laake kaali lv ni
Tainu takkda ae munda dekh chann warga

Jihde shehar vich dushman 40-40
Jihde modde utte tangi ae dunaali
Tainu laake rakhu pakka hikk naal balliye
Ni jehda karda shikaar ankhan naal ae

Hor bahut cheezan duniya te sohniyan
Tu sohni lagdi ae baahli
Tera chocolaty rang kare nasha feem da
Ni hunn khanda ni jo khaani si main khaali

Je tu pegg ae old glen da kude
Jatt motor te kadde hoye drum warga

Kaali gaddi chon laake kaali lv ni
Tainu takkda ae munda dekh chann warga
Teri jacket te leopard print goriye
Kamm gabbru da tiger de dumm warga

Tu ohdi neend uda ke rakhi hoi ae ni
Jihne duniya de hosh udaye paye aa goriye
Bhal padtal chale ghare ni mude
Jihne jihne sadde naal pange leya goriye

Jehda daakuyan ton khoh lainda si ni asla
Dekh tere chakkaran ch khoya phirda
Jhatt dine phad da chalaki ankh di ni
Par ishq tere ch enna hoya phirda

Saddi gun di goli ch jinni teji patlo
Tu farratedar bole angreji patlo
Taur toor muhre laake rakhi hoyi ae
Par tere pichhe ho gaya crazy patlo

Tere karke hi kalla aunda patt honiye
Ohdan naal hunda kaafila ni jann warga

Kaali gaddi chon laake kaali lv ni
Tainu takkda ae munda dekh chann warga
Tera gora rang rehnda ae mashhooriyan ch
Jatt khabran ch rehnda kaale dhan warga

Aap di tareef da ki aap karna
Pata duniya ton kar li tu kaun gabbru
Jivein tere bhoore bhoore baal jachde
Ohvein jachda main tere naal brown gabbru

Dil tera mangeya oh gall wakhri
Eh na soch li kise di ride mangi phirda
Ik taan muchh tangi phire patlo
Dooja vairi tange dabb naal jo tangi phirda

Light blue ankh vich reejh naal
Paya surma tu dark black patlo
Load rakhe paake jatt 6 goliyan
लिरिक्सबोगी.कॉम
Utton painde aa rakaane 6 pack patlo

Kaptaan kaptaan tainu dinda ae zubaan
Ke je tu rakhe maan paunda utte chhap ju
Suit red kare dead jatt bhann duga head
Je koi adeya bread jam laake chak ju

Bathinde ale de geetan vich milna ni
Tainu shabd patola teeja run warga

Kaali gaddi cho laake kaali lv ni
Tainu takkda ae munda dekh chann warga
Tere kanna layi laike aaya baaliyan ni
Pound kharcheya valung rehnde kann warga

Chann warga chann warga
Chann warga haan chann warga.
