

# Maa Lyrics

---

## English

Pata nahi kahan se main shuru karu  
I really don't know how to say  
Jan mein shuru kiya tha now it's may  
I wish main woh time laa paun  
Jab pehli baar likha tha maine apni maa par essay

I just want to tell you ke tere bina main kuch bhi nahi hu maa  
Happy mother's day  
Aisa nahi hai ke main tere baare mein sochta nahi hu  
Aur nahi aati mujhe teri yaad

Par kya karu double hogaya hai kamkaaj  
I know i always took you for granted  
Aur beasar hogaye muhpe tere daat  
But you have no clue what i feel for you  
Ye batane ki thodi si koshish karunga bas main aaj

I miss you maa  
Aur har takleef mein lagta hai kaash tu yaha pe hoti  
Jaise bachpan mein manati thi  
I wish tu wapis le leti godi

Kaise na school jaane ke liye mere baal banati thi  
Aur didi ki choti  
Aur humein force karti thi wohi boring vegetable khana  
Karela aur roti

Abhi tak main aur didi ladte hain  
Kis se zayda karti hai mummy pyar  
Apne looks ke baare mein tujhe kuch bhi puchna bekar  
Kyunki main kitna bhi bura lagun tu bas yehi kehti hai  
That my son is a superstar

Tu kitchen ki ek jinny hai aur bas puri karti rahi humari wish  
Humesha thanda khati rahi aur hum sabka bacha unfinished  
Bina kiye choo, in fever and flu

Bas baitha ke khilati rahi tu

By the way kabhi pucha nahi maa maine tujhse

What's your favorite dish?

Tune hamesha mujhe apne se zayda pyar kiya hai

Aur maine hamesha kiya hai tujhe tang

Kabhi lagta hai you don't love more than your warni and bartan

Gazab ke hain kitchen mein tere saare stunt

Aur jagah jagah pe your hands are burn

Tujh mein superman aur spiderman se zayda shakti hai maa

You're the ultimate superwoman

Main apne dost ke baare mein sochta hoon

He used to pray day and night

Aur maine notice kiya hai he used to cry

Bichate bichate namaz ke liye chatayi

Fir ek din pucha main uss se

Lyricsbogie.com

Kya zaroorat hai bhai itna takleef lene ki

Woh bola bhai main actually khud ke liye dua mangta hoon

Kyunki mere paas maa nahi hai to pray for me

Then i hugged him aur foot foot ke roya hoon

I felt light after that

Aisa laga saara tension, uljhan, frustration

Sab kuch hogayi hai khatam

Laga sapne pure na bhi huye na

Toh mujhe zara sa bhi na hoga gum

Laga i've got everything

I've got my mom

Piche padi rehti hai ke kar na ye dadi clean

Aur saare sildiye meri maa ne mere expensive fate huye jeans

Kitna bola nahi khana hai i'm trying to be lean

Par rotian aana band nahi hoti hain

Kehti hai ghee mein hota hai sabse zayda protein

Sabse favorite match hota hai dekhna

Meri maa vs touch screen

Agar football bhi chal raha hai to bas ek hi sawal hota hai

Ke out to ni hua na sachin

Tere bina adhoore hain maa mere ambition mere sab dream  
Akela ladne ki taakat nahi hai mujh mein  
Every second i need your blessings  
Jo tune kiya woh meri samjh se bahar ka hai  
Mujhe actually mein nahi hota yakeen  
When was the last time you've bought something for yourself  
Kab ki thi maa last time shopping?

Kaise na maa main tujhe kutte ki maa billi ki maa bolke  
Bhaag jaaya karta tha  
Yaad hai maa woh din  
Aur mujhse pareshan hoke tu kya karti thi marne ki acting

Yeh khoon ka zaroor rishta hai  
Par usse thoda zayda thick sa hai  
Bade se bade darr maa tere saamne kaha tikta hai  
Isiliye toh ek bajhde ki maa apne bache ke sher se bhi lad leti hai  
Ek jaanwar ka bacha bhi drane par apni maa ke piche hi jakar chipta hai

I don't how you do all these things  
Ye sab lagta mujhe magic trick sa hai  
Ye relation, sacrifice, pain, sweat  
Aur aansoon'on se bane bricks ka hai  
You're the prettiest maa  
Tere saamne kahan kareena kahan katrina kahan deepika hai  
Mujhe bhot acha lagta hai  
Jab koi bolta hai bhai tu ekdum tere maa jaisa dikhta hai

I know tu kayi baar soyi hai humein khila ke bhukhe pet  
Aur paise bacha bhacha kar humein kapde dilaye hain  
Aur birthday mein cakes  
Itni aadat hai ki restaurant mein bhi lene lagti hai  
Khane ke baad humare plate  
Tere saamne saare rishte fike lagte hain maa  
Sab ke sab lagte hain fake

Jo ban pada tune woh sab kiya  
Na jaane kitne jalaye hain mere liye diye aur mombattiyan  
Bina liye raaton ko jhapkiyan

Tune pattiyan laga kar bukhar mein sulaya hai mujhe dekar japhiyan  
You gave me values, talents, strength

Ye jadoo maa tune kab kiya?  
Shayad possible nahi tha upar wale ka har jagah hona  
Isiliye usne yujhe dedi apni saari shaktiyan

I'm sorry maa  
Ke bhool jaata hoon tujhe wapis karna phone  
I'm sorry kabhi kabhi rude hojata hai mere baat karne ka tone  
I'm sorry ke is baar wapis na paaya ghar mein holi pe  
Aur jhooth bola ke mujhe chuthi nahi mili office se  
I'm sorry maa ke main wahan nahi hoon when you need me  
I'm sorry ke akele chadni padti tujhe ghar ki lambi seedi  
I'm sorry ke khud lagana padta hai tujhe apne pairon pe tel  
I'm sorry ke main wapis bhool gaya wish karna tujhe tere janamdin pe  
I'm sorry ke tujhse zayda important ho jaate hain mere dream aur ambition  
I'm sorry ke shayad nahi ban paa raha hoon  
Main tera woh perfect son

Kya tu dame ki dawai time par khati hai maa?  
Ghutno pe dard tha na  
Kya dhang se chal paati hai maa?  
Main bolne ki bhot koshish karta hoon  
Par pata nahi kyu ruk jaata hoon main  
Ke mujhe bhot zayda teri yaad aati hai maa

Uss din se main darta hoon jab nahi lagega tera phone  
Aur automated awaz bolegi  
The person you're trying is gone  
Ye darr mujhe hamesha satata hai maa  
I'm scared of being alone  
You're the reason i'm alive  
Maa tere bina mera hai kaun?

Main janta hoon ye sab maine pehle bola nahi hai  
That's little overwhelming for you  
Lekin bhot dino se mujhe yeh bona tha  
Bhot samay se tha ye sab due  
Ke tu hasti rahe healthy rahe khush rahe  
Uparwale se main yehi karta hoon prey

Happy mother's day lovely  
Love you..
