Madad ab al madad maula

Tuu allaha hus samd maula
Tuu allaha hus samd maula

Nahin koyi tera maabod
Wahid ek madad maula

Madad ab al madad maula
Madad ab al madad maula

Dil mein gum hai tari maula,
Meri aye bari maula
Kisiki saas pe atki,kisiki saas maula
Kohi aye hai daar pe leke,raas maula

Maula....maula..

Kisiki saas pe atki,kisiki saas maula
Kohi aye hai daar pe leke,raas maula

Umidoo se bhara daman,
Kahin khali naa rahe jayen
Akeda uske dil mein joo hai,
Ankon se na bahe jayen
Jaba pe uske rakh dee,
Tuu duwa ka sahed maula

Madad ab al madad maula
Madad ab al madad maula

Bol ganesha, bol jara ,
Teri marji mein kya hai
Ya phir mujse pooch jara,
Meri arzi mein kya hai
Kiss baat pe yeun, muhon mood liya
Majdhar mein kiyun,muje chood diya
Meri nadani, meri tuu lik ,
Kiyu use mile saja
Jaya ganesha bignesha ,
Jaya ganesha bignesha
Jaya ganesha bignesha,
Jaya ganesha

Mita de meri kismat mein,
Agar jo ghum likha hai
Mita de...ahh mita de ..

Mita de meri kismat mein,
Agar jo ghum likha hai
Bada de meri kismat mein ,
Agar kam lika hai
Jo roh tujse, laga baithe,
Jaha sara, bhula baithe
Na khali haat jayenge,
Kiya humne yeh had maula

Madad ab al madad maula
Madad ab al madad maula

Tuu allaha hus samd maula
Tuu allaha hus samd maula
Nahin koyi tera maabod
Wahid ek madad maula

Madad ab al madad maula
Madad ab al madad maula
Madad ab al madad maula
Madad ab al madad maula.
