

Maghreb (Title) Lyrics

English

Naezy, Naezy, Naezy, Naezy

Check, Ah!

Yeah

Beeti jo baatein wo baatein kal ho gayi
Biti hui baaaton pe matti main dala
Duniya yeh bhot badi chinti kho gayi
Tabyat gadbad phir thik ho gayi
Tirchhi topi tshirt
Asli log hi preferred
Asli log ka reference
Ashleel log ka kya kare

Apne jab dhoka de kya kare
Luck me nahi khoka toh kya kare
Sapne sajaya tha bachpan se jo maine
Sapne wo tute toh kya kare
Apne hi jhoote toh kya kare
Apne hi sharp -hooter
Aastin ka saanp ban ke
Apne hi das lere kya kare
Ab nahi personal hai kya kare
Public opinion ka Kya kare
Kal tak jo ladke goli chala re the
Aaj Desh chala re toh kya kare
Tension hai sarhad pe kya kare
Majjaaani life, qurbani side
Khabre nahi padte toh kya kare
Aurtien gayab, konse riots
Farak nahi padta toh kya kare
Maghreb Maghreb aye mere Maghreb
Tu hi yeh bata de mujhe kaha pe mai jau
Bit chuka sheher pe jo Kisko batau
Rit mere desh ki mai kis ko sunao

Bambai sheher bole desh ka yeh west
Duniya k east me gundo na nest
Nahi leta rest style mera best
Karu pass test har din monday
Kathinayi less self obsessed
Har week article media press
Streest mera cred kar bhi kya sakte
Ek aur fact pol khol threat
Chhod du seventy life karu set
Life ka routine mera wife karu set
Knife se cooking beta
Height karu check
Mic pe spitting beta
Hyper hu main

Maghreb, Maghreb mai mera Maghreb
Maghreb, Maghreb mai mera Maghreb
Maghreb, Maghreb mai mera Maghreb
Maghreb, Maghreb mai mera Maghreb

Anjane tune nahi
Mujhko abhi pehchana
Ganja nahi peeeta mai
Jeeta nahi banjara
Nanga nahi kapde
Mahenge nahi ambani
Bangali flow mera
Idhar ka nahi malbari
Manja nahi aisa
Patang meri kat pari
Wanda nahi jaaane de
Asan dhanda nahi
Mar jaaare rasto pe
Dene ko kanda nahi
Jaabaaz andar se hai
Aatishbaaz hai iraaade
Khuda k pehle gine
Kisi ko nahi laaa ilahi
Sabhi tamasha chaahte
Kon chahta imandaari

Sabhi ka bhala ho
Sab kaaam kare shandar
Dua yeh meri tujhse
Teri mujhse kya dua
Thoda sa sehna pada
Gir k uth gaya kya hua
Sansaaar pressure daaale
Baap patta le de maa dua de
Haalaaat jaise bhi ho
Fayslo par kaabu paale

Ded shana dher sara
Kheer khara eid pe
Milna milana nahi
Badshah re peeer pe
Dhoke de mauke pe
Beech me se chirte
chirele chirele
Beat pe sab Heat me
Tokyo Japan me
Creator summit me
Ada time air time
aaandhi zameeen pe
Gandhi tameeez se
chaaar din ki chandi
Waaapas garib be
Pocket me blade be
Pakeeezah rate
Daaakhil ho gate se
Vaaajib hai hate
Maaahir hu game me
Saaabit hai gem
Try beta same flow
