## English

Ambar ki ye unchaai  
Saagar ki ye gehraai  
Tere mann mein hain samaai  
Maiee o maiee  
Tera mann amrit ka pyaala  
Yahin kaaba yahin shivala  
Teri mamta jeevan daai  
Maiee o maiee

Jee chahein kyun  
tere saath rahun  
Main banke tera humjholi  
Tere haath na aau chhup jaaun  
Yun khelun aankh micholi  
Jee chahein kyun  
tere saath rahun  
Main banke tera humjholi  
Tere haath na aau chhup jaaun  
Yun khelun aankh micholi  
Pariyon ki kahani sunake  
Koi meethi lori gaake  
Karde sapne sukh daai  
Maiee o maiee  
Ambar ki ye unchaai  
Saagar ki ye gehraai  
Tere mann mein hain samaai  
Maiee o maiee

Sansaar ke taane baane se  
Ghabhrate hain mann mera  
Inn joothe rishte naato mwin  
Bas pyaar hain sachcha tera  
Sansaar ke taane baane se  
Ghabhrate hain mann mera  
Inn joothe rishte naato mein

Bas pyaar hain sachcha tera  
Sab dukh sukh mein dhal jaaye  
Teri baahein jo mil jaaye  
Mil jaaye mujhe khudaa  
Maiee o maiee  
Ambar ki ye unchaai  
Saagar ki ye gehraai  
Tere mann mein hain samaai  
Maiee o maiee

Phir koi shararat ho mujhse  
Naraaj kaun phir tujhko  
Phir gaal pe pappy maar ke tu  
Seene se laga le mujh ko  
Phir koi shararat ho mujhse  
Naraaj kaun phir tujhko  
Phir gaal pe pappy maar ke tu  
Seene se laga le mujh ko  
Bachapan ki pyaas bujha de  
Apne hatho se khila de  
Pallu mein bandhi mitthai  
Maiee o maiee  
Ambar ki ye unchaai  
Saagar ki ye gehraai  
Tere mann mein hain samaai  
Maiee o maiee

Jaade ki thandi raaton mein  
Jab der se main ghar ko aaun  
Halki si dastak par apni  
Tujhe jaagta huaa main paaun  
Jaade ki thandi raaton mein  
Jab der se main ghar ko aaun  
Halki si dastak par apni  
Tujhe jaagta huaa main paaun  
Sardi se thitharti jaaye  
Thanda bistar apnaaye  
Mujhe dekar garam rajhaai  
Maiee o maiee  
Ambar ki ye unchaai

Saagar ki ye gehraai  
Tere mann mein hain samaai
