

Main Aur Meri Awargi Lyrics

English

Phirte hain kab se darbadar
Ab is nagar ab us nagar
Ek doosre ke humsafar
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi

Na ashna har rehguzar
Na meherban har ek nazar
Jayein to ab jaane kidhar
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi

Hum bhi kabhi aabad the
Aise kahan barbaad the
Hum bhi kabhi aabad the

Aise kahan barbaad the
Befikr the aazaad the
Befikr the aazaad the
Masroor the dilshad the
Masroor the dilshad the
Wo chal aisi chal gaya
Hum bujh gaye dil jal gaya
Nikle jala kar apana ghar
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi

Woh mahevasht woh maherooh
Woh mahekambil hubahu

Woh mahevash woh maherooh
Woh mahekambil hubahu
Thi jis ki baatein kubaku
Thi jis ki baatein kubaku
Usse ajab thi guftagu
Usse ajab thi guftagu
Phir yun huwa woh kho gayi
Aur mujh ko zid si ho gaii
Layeinge us ko dhoond kar
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi

Yeh dil hi tha jo seh gaya
Woh baat aisi keh gaya
Yeh dil hi tha jo seh gaya
Woh baat aisi keh gaya
Kehne ko phir kya reh gaya
Kehne ko phir kya reh gaya
Ashkon ka dariya beh gaya
Ashkon ka dariya beh gaya
Jab keh ke woh dilbar gaya
Tere liye main mar gaya
Rote hain us ko raat bhar
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi

Ab gham uthayein kis liye
Aansu bahayein kis liye
Ab gham uthayein kis liye
Aansu bahayein kis liye
Yeh dil jalayein kis liye
Yeh dil jalayein kis liye
Yuhn jaan gawayein kis liye
Yuhn jaan gawayein kis liye
Pesha na ho jis ka sifan
Dhundeinge ab aisa sanam

Honge kahin to kar gar
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi

Aasar hain sab khot ke
Imkan hain sab chot ke
Aasar hain sab khot ke
Imkan hain sab chot ke
Ghar band hain sab koth ke
Ghar band hain sab koth ke
Ab khatm hai sab totke
Ab khatm hai sab totke
Qismat kaa sab yeh pher hai
Andher hai andher hai
Aise hue hain beasar
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi

Jab humdam o humraz tha
Tab aur hi andaaz tha
Jab humdam o humraz tha
Tab aur hi andaaz tha
Ab soz hai tab saaz tha
Ab soz hai tab saaz tha
Ab sharm hai tab naaz tha
Ab sharm hai tab naaz tha
Ab mujh se ho to ho bhi kya
Hai sath woh to woh bhi kya
Ek behunar ek besabar
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi

Phirte hain kab se darbadar
Ab is nagar ab us nagar

Ek doosre ke humsafar
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi
Main aur meri awargi.
