

Main Chala Lyrics

English

Tanha tanha yun phira
Apno mein reh kar akele
Aisa gira na uth saka
Main chala
Main chala main chala
Main chala aaaaaaa
Main chala
Main chala main chala
Main chala aaaaaaaaa

Lamha lamha ghutan hai
Aankhe bin tere nam hai
Mere jalte jahan mein
Bas yehi ek gum hai

Dil ki viraniyan
Dhundhe tujhe
Raahon ke fasle kyun badh gaye

Kaise yeh zindagi jo hum jeeye
Isne aasun aur gum diye

Main chala
Main chala main chala
Main chala aaaaaaa
Main chala
Main chala main chala
Main chala aaaaaaaaa

Ankahi yeh kahani
Bin kahe hai sunani
Lab pe khamoshiyan hai
Aashko mein hai rawani
Saanson ke silsile
Thamne lage
Labzon ke shabd yeh bujhne lage

Lamho ki aag mein kuch yun jala

Mein aap se hi kho gaya

Main chala

Main chala main chala

Main chala aaaaaaa

Main chala

Main chala main chala

Main chala aaaaaaaaa.
