## English

Tum khaag ho jo mere pichhe ho  
Mai wo nahi jo tum chahte ho  
I m gonna make this well  
Come make this well meri ladki  
Tum meri gudiya ho tum  
Meri duniya ho meri ladki  
Back you watch you  
Gonna see me flow  
Tum ho hot hot keep  
On gaving more  
I am on mission time  
Is money i m going crazy  
I m gonna chease in  
Will you be my zindagi  
If you really wanna  
Feel it ha mai show  
Hame delhi to mumbai  
Jaana chahiye bombay  
Ja kar maza karenge  
Party karenge night ha  
Welcome to hindustan  
You are my janeman  
Hello soniye mai diwana  
Tera ek chance dede mujhe  
Tu meri sexy tu meri babli  
Mere sath dance karo na  
Chaupati jaayenge selfie lenge  
Mere sapno ki rani o my baby  
I wanna live with you  
Tum khaag ho jo mere pichhe ho  
Mai wo nahi jo tum chahte ho

Hey mr. Mere paas time nahi  
Hai sorry nahi chance hai  
Ha mai hu sexy ha mai hu babli

Par mera love nahi tumhare liye  
Welcome to bollywood  
Tum khaag ho jo mere piche ho  
Mai wo nahi jo tum chahte ho  
Hello soniye mai diwana  
Tera ek chance dede mujhe
